COLEGIO COLOMBO BRITÁNICO GRADING SYSTEM

The transcript reflects the annual student's academic achievement during middle school and high school, where we offer a unique curriculum that integrates six years of Colombian Baccalaureate with the International Baccalaureate Programmes: Middle Years Programme and Diploma Programme.

For this reason, in the last two years of high school, our students take six group IB subjects at higher and standard levels; the three core IB DP components and the compulsory subjects of our National Curriculum that are equivalent in its intensity to Standard Level IB subjects.

As a result, our academic programme demands a superior standard than would be required from students in most other secondary Colombian schools or in other countries. This has to be taken into consideration because our grades cannot be easily compared with others when it comes to translate our transcripts at international level.

Our students take English A1 at Higher Level and Spanish A1 at Higher and Standard levels, which is an evaluation of the student as fully bilingual.

AGE	GRADE LEVELS AT CCB	
12-13	7th Grade	IB MYP (IB Authorized School)
13-14	8th Grade	
14-15	9th Grade	
15-16	10th Grade	
16-17	11th Grade	IB Diploma (IB Authorized School)
17-18	12th Grade	

At CCB, the academic year has three periods, with examinations in December and in June. The final grades awarded at the end of the year are based on evaluation of the performance during the whole year and are based on prescribed criteria.

*We do not have the credits system in order to calculate the GPA. We provide only the academic grades and averages. The table included below establishes an equivalence of our averages with the GPA. **Our grading scale is unweighted.***

From September 2008 on, the School implemented the International Baccalaureate grading system that goes from 1 to 7, being 7 the highest score and 3.0 the passing grade. On September 2013, the School establishes 4.0 as passing grade.

It is important to inform that our curriculum does not include any preparation for tests such as TOEFL, ACT or SAT, therefore, our students have to prepare themselves for these examinations on their own and in their free time. For any additional information, please contact mmolina@ccbcali.edu.co.
